Welcome to the Camper's Guide to Alberta's **Provincial Campgrounds**

Our Vision: Alberta's parks inspire people to discover, value, protect and enjoy the natural world and the benefits it provides for current and future generations.

Since the 1930s visitors have enjoyed Alberta's provincial parks for picnicking, beach and water fun, hiking, skiing and many other outdoor activities. With locations all over the province, Alberta Parks strives to balance conservation and recreation needs, providing places for visitors to enjoy nature or embark on an adventure.

This guide provides information for over 200 automobile accessible campgrounds in Alberta's provincial parks and recreation areas. More details about these campgrounds, group camping, comfort camping and backcountry camping, can be found at albertaparks.ca.

Explore Alberta Provincial Parks and Recreation Areas

Whether you like mountain biking, bird watching, sailing, relaxing on the beach or sitting around a campfire, Alberta's provincial parks have a variety of facilities and an infinite supply of memory making moments for you. It's your choice sweeping mountain vistas, clear northern lakes, sunny prairie grasslands, cool shady parklands or swift rivers flowing through the boreal forest.

Visit Alberta's provincial parks in your community, or discover new favourites in other parts of the province. Join us on Parks Day, every year on the third Saturday of July, to celebrate and care for these special places.

Be a Good Camping Neighbour

Join us in caring for the environment and each other by being a good neighbour!

- Alberta Parks welcomes you and your pets. Keep your pet safe by keeping them on leash, ensure your pets are not disruptive to others, and always remember to pick up after your pet.
- Keep wildlife safe by storing food and other scented items in a hard-sided vehicle or motorhome when not in use.
- Exercise consideration by minimizing generator use and noise from electronic devices throughout the day, especially at night when it can carry far. Obey park quiet hours from 11 p.m. to 7 a.m.
- Fuel generator use is permitted only between the hours of 9 a.m. to 9 p.m. at select campgrounds. Learn more at albertaparks.ca/generators.
- Bring a dish washing container to fill at the communal water taps to take back to your campsite for your dish washing. Dispose of your waste water into the nearest dump station or outhouse. Waste water should not be dumped in a lake, stream or on the ground as it will contaminate the natural water source.
- Have respect for your fellow camper's personal space do not walk through other campsites, walk around them.
- Clean your campsite before leaving and take all traces of trash with you.

To find out more, download the regulations brochure at albertaparks.ca/regulations.

Trip Planning

Albertaparks.ca has a wealth of information. Use "Find Your Park" to search by activities you want to do, amenities you need or by map location. Many parks have maps and guides you can download to help you with your trip planning.
