Top 3 Experiences:

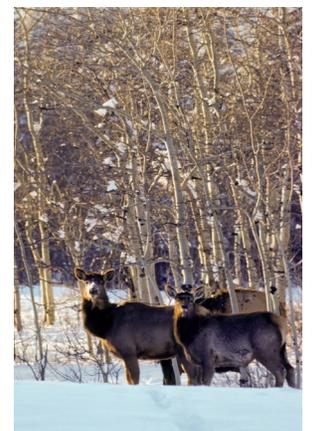

1. *Snowshoeing or hiking, having fun and exploring the outdoor winter environment.*
2. *See and interpret the stories tracks tell us about the many wildlife species active during the SW Alberta winter!*
3. *Everyone will discover at least one thing they have never seen before in their whole life - guaranteed.*

Using the parks class set of snow shoes, youth participants and supervisors will explore Beauvais Lake on snowshoes!

Through interactive games and snow studies, students learn:

- How plants and animals are adapted to survive winter in the montane environment.
- To recognize animal tracks and signs during the winter
- To enjoy some of our common winter birds and contribute to Beauvais Lakes ebird list!
- Feel comfortable travelling on snowshoes

Snowshoes are provided for this program!

This winter program is available to book during the winter, call Heidi Eijgel or Sarah Downey for this Beauvais Lake Provincial Park Education Program 403 627-1152. In case of poor snow conditions, students can take part in this program using hiking boots only!
