Legend

Phased Construction of the Central Corridor Pathway

Phase 1 Eastern Segment August 2024 – Winter 2024 construction, with minor works in 2025.

Phase 1 Special Projects

- SP 1 Realignment of a small pathway segment away from an eroding shoreline of Fish Creek.
- SP 2 Removal of a staircase paired with a new trail realignment near the community of Evergreen Estates.
- SP 3 Mitigation of a small pathway segment in Marshall Springs that experiences drainage challenges.

Phase 2 Central Segment Schedule to be confirmed.

Phase 3 Western & Southern Segment Schedule to be confirmed.
